

SEMINAR: DIGITAL HUMANITARIANS

Patrick Meier, PhD

Author of the influential blog 'iRevolutions'

2pm, Thursday 26 March | Room 210, Puaka-James Hight

Patrick Meier is the author of the book 'Digital Humanitarians: How Big Data is Changing the Face of Humanitarian Response.' His talk will chart the rise of Digital Humanitarians and describe how they make sense of social media, satellite & aerial imagery and more on behalf of humanitarian organizations worldwide.
